Dear Mr. Lennard:

RE: Permit Request

This responds to your application for a park use permit to hold a shore water event at Ehukai Beach Park. Your application requests the waiting period from January 27, 2007 to February 6, 2007 and one competition days.

The Department of Parks and Recreation ("Department") received multiple applications requesting use of the beaches on the north shore for shore water events. Because of scheduling conflicts, the Department initiated the conflict resolution process in compliance with its administrative rules and regulations. As a result of the resolution process, the Department will not be able to grant your permit request due to the large number of applications received for the limited number of dates available.

Should you have any questions please contact Mr. Miles Hazama, Recreation Director V, at 233-7300.

Sincerely,

LESTER K.C. CHANG
Director
